

It's over!

Brothers and Sisters:

The Labour Board has finally come through with its decision on the CEP raid application. The Board has ruled the application will be dismissed as the CEP failed to get enough legitimate cards signed to warrant a vote.

We thank all of our supporters for sticking with us during this time of upset and turmoil. We can only hope relationships will heal and the workplace will become a more united, cohesive place to be.

While we are extremely happy with this decision, we do realize there is a large amount of work to be done. We look forward to working together with you to build a more effective unit at CKF!

In solidarity,
